62nd Auction Sale

Monday, March 17, 1947

MARSHALLTOWN, IOWA

ANNOUNCING

The 62d sale of the Marshall County (Iowa) Shorthorn Breeders Association.

Of all the many public auction sales of this association this is perhaps one of the best groups of cattle ever assembled for such an event. The bulls offer an excellent opportunity for selection, many of them rank with the best of the breed anywhere and there are no better pedigrees.

The females include cows bred; cows with calves at foot and both bred and open heifers. The blood of Supreme Goldfinder, the reigning king of Shorthorn sires, is quite prominent.

Plan to come to Marshalltown Monday, March 17th.

Marshall County Shorthorn Breeders Ass'n.

Pres. Dr. F. J. Neiman, Marshalltown, Iowa.

Vice-Pres. Geo. H. Lewis, Marshalltown, Iowa.

Secy.-Treas. M. W. Stover, Marshalltown, Iowa.

JUNIOR JUDGING CONTEST

Starting at 9 A. M. Monday morning under supervision of Marshall Co. Extension Director Greenlee and Club Leader Howard Vint. Open to the world. Any boy or girl under 21 years is eligible to compete.

Prizes useful around cattle, such as show halters, lariat, Scotch combs, will be awarded the five contestants scoring the highest. The second five highest scoring contestants will receive medals awarded by the American Shorthorn Breeders Ass'n. Show starts at 10 o'clock. There will be three classes each in bulls and females with champion and reserve champion in each. Suitable ribbons furnished by the Chicago office.

FREE FREIGHT OFFER

The American Shorthorn Breeders' Association, Chicago 9, Illinois, will reimburse any purchaser or group of purchasers, who buy and ship a carload of ten lots or more from this sale to one destination, up to a maximum of \$200.00 for freight charges exclusive of cost of feed or incidentals. Shipment may be made only by rail and must be consigned to a point more than 300 miles from sale location.

Marshalltown is 290 miles west of Chicago, 197 miles east of Omaha and 275 miles northeast of Kansas City.

Attention is called to the Iowa State Shorthorn sale at Des Moines, March 18-19. Plan to attend both events. These sales are less than fifty miles apart.

Terms and Conditions of Sale

LOCATION—The sale will be held in the comfortable new Marshalltown sales barn located on South 18th Avenue. This is just south of Main Street eighteen blocks east of the Court house. It will be held on Monday, March 17, 1947 at twelve thirty. Intersecting highways make Marshalltown easy of access from all parts of Iowa and adjoining states. It is also on the main line of the Northwestern, Great Western and the M. & St. L. railroads.

Bulls are guaranteed breeders if not used for service before they are 14 months of age and if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and purchase price refunded. All cows with calves at foot and those showing evidence of being with calf at time of sale are considered breeders, and no further guarantee is made with respect to them. Clara 14th—has just every thing that has made the Shorthorn breed the leading breed of beef cattle on the average farm. She is smooth, lots of size yet is lowset and along with this is a very heavy milker giving enough that it makes some of these men with strictly dairy breeds rather envious. Sells with a very nice roan bull calf which was calved Oct. 19 sired by Crusaders Image and rebred Feb. 8 to the dark red Brawith Scarlet. We have a granddaughter of this cow that is one of the best if not the best heifer calf we ever raised.

Breed Shorthorns
The Real Farmers Cattle

SHORTHORN STEERS made a clean sweep of the *GRAND AND RESERVE GRAND CHAMPIONSHIPS* over 1,425 head of all breeds at the 1946 Chicago International Livestock Show. They went on to win the champion three-steer and get-of-sire groups over all breeds for the first time in the 47-year history of the International, when one breed monopolized single and group championships. The Grand Champion later sold at a new all-time record for the Chicago International of \$10.50 a lb. to total \$14,490 to the Firestone Tire and Rubber Co., Akron, Ohio. He immediately began a 22,000 mile educational tour of the country in a \$12,000 specially constructed trailer. Watch for notice of these exhibitions in your territory. (The Shorthorn steer,

Tomahawk, was Grand Champion of the 1945 Chicago Fat Stock Show and set the then International record of \$10 a lb.)

Shown above (left) is the Grand Champion, ROYAL JUPITER; (right) the Reserve Grand Champion, WYOMING CHALLENGER STANDARD; and (below), the winning three-steer group including the reserve grand champion.

These steers demonstrate the well-established Shorthorn profit characteristics combining greater weight with modern type and choice quality conformation. The Grand Champion steer weighed 1,380 lbs. at 22 months of age. *Extra pounds produce extra profits. REMEMBER—Shorthorns, Best in Every WEIGH!*
